REVIEW AND FUNDING PROCESS

Panel Process:

An advisory panel, composed of up to four Small Business Advisory Board members, will consider each Applicant's current contractual performance (if applicable) and all the application material submitted in order to assign a score of between 1 (not fundable) and 4 (model application) to the application. The panelists will evaluate all applications as a group during a meeting and assign a score. Recommended funding amounts will be developed based on the amount of funds available, the number of applications received, the total amount of funds requested, and the assigned scores.

Failure to submit required materials will result in disqualification.

The recommendations from the panel will be considered by the Small Business Advisory Board and each application will be voted on by the Board.

Even if an Application receives a score higher than 1 there is no entitlement to funding.

Once the Small Business Advisory Board approves award amounts a notice will be sent to the Applicant advising them of the amount or that no funds were awarded.

Agreement, Scope and Budget:

Each Applicant awarded funds must then submit an electronic copy of their Proposal and Budget, adapted to reflect the awarded amount, within 15 days of the receipt of the notice of funding.

An Agreement will be then be prepared which incorporates the Proposal (Scope of Services) and Budget and be delivered to the Applicant for signature. The Agreement details how City money will be spent, and other requirements of the Citywide SBEP Grant Program.

The signed Agreement must be returned to the City for processing along with the required **certificate** of insurance within 30 days of receipt of the Agreement by the Applicant.

No action will be taken to process the Agreement without the certificate of insurance. Furthermore, the required insurance **endorsements** must be submitted within 30 days of the City's receipt of the signed agreement.

Should problems arise in fulfilling the Agreement or changes in the Agreement need to be arranged, the Office of Small Business staff must be consulted.

Failure to adhere to these deadlines may result in forfeiture of the awarded funding.

Resolutions:

If funding is awarded the organization must have a formal resolution of its board of directors which approves entering into the SBEP Agreement with the City of San Diego and which states that the board understands and will comply with the terms and conditions of the Agreement and will perform the Scope of Services within the amount of the Budget. This resolution must be signed by the board president or designated officer and is to include the following:

- Funding amount.
- Assurance that the resolution is made available to all board members
- Assurance that the required insurance coverage will be obtained for the term of the agreement.

Performance Reports:

Performance reports will be required at least quarterly detailing the organization's performance of the Scope of Services as outlined in the Agreement.

Note: Previous year's performance reports will be taken into consideration during panel review and lack of reporting will negatively impact your score.

Financial Statements:

All organizations receiving City money are required to submit financial statements for the organization's last completed fiscal year no later than 90 days after the end of that fiscal year. If City funding is \$75,000 or more, these financial statements must be audited by an independent CPA. The pro-rated cost of producing the financial statements (and audit report as applicable) may be included in administrative costs for which City reimbursement is requested.

Acknowledgment of City Funding:

A credit line must be included in any printed, visual or recorded matter that credits the City for its support. The following is an example of a credit line that might be utilized: "This project is funded in part by the City of San Diego's Small Business Enhancement Program."
